Columbus Public Service Chapter Information

Most of the members of the Columbus Public Service Chapter of NMA (CPSC) work for the City of Columbus, but we also have members from the Solid Waste Authority of Central Ohio. The CPSC holds monthly meetings, usually over lunch at City facilities and area accommodating restaurants. Speakers have included former Mayor Michael Coleman, City Council Members, community and national leaders and motivational or informational speakers. These meetings are a great opportunity to network with other professionals from the public sector.

The CPSC is committed to providing quality training and hosts trainings on topics such as:

- **Leadership**
- **Supervisory Skills**
- **Effective Communication**
- **Group Facilitation**
- **Practical Project Management**
- **Manager Certification Program**
- **Coaching**

The CPSC works to encourage mentoring, training, networking and camaraderie. We also provide our members with opportunities to support local charities such as the Mid-Ohio Food Bank, the Firefighters 4 Kids, and Keep Columbus Beautiful. Dues are affordable; most Columbus Departments pay a portion of dues making the member's share only \$11 a month, usually less than the value of the meal at every monthly meeting. CPSC leaders have had the opportunity to travel to locations such as San Francisco, New Orleans and Dallas for leadership trainings and national NMA meetings. Our current National Director (and member) Kathy Spatz, serves as the Chairman of the National Executive Board, and our former National Director (and lifetime member) Bill Mahaffey, also served as National Chairman of the organization.
